Did you know this?

Where was the cocktail invented?

Made in ITALY

While the United States is often credited with the invention of the modern cocktail, **Italy takes the prize**. Roman Emperor Nero's physician wrote a treatise in 77 A.D. about preparing medicines that included wines, alcohol, and bitters.

What's the most popular cocktail in the world?

The **old fashioned** has long been the most popular cocktail worldwide because of its simplicity and mass appeal and availability of whiskey.

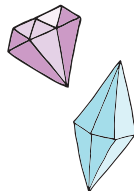

How big is the largest cocktail ever made?

Nick Nicora set a Guinness World Record with nearly a **40 000 liters** margarita in Sacramento, California in 2012.

What is the most expensive cocktail in the world?

The Ritz-Carlton Tokyo's **Diamond Is Forever Martini** features a one-carat diamond alongside Absolut Elyx Vodka. This martini will set you back ¥2 million, or roughly 17 300€.

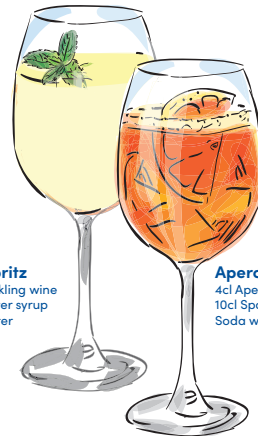

Have you seen Tom Collins?

According to some sources, the **Tom Collins originated from a joke** told in New York in 1874. A group of friends began telling people in bars that a man named Tom Collins was walking around the city, telling falsehoods about them. So it was that many began to go from one bar to another, in search of the slanderer.
