Star Buffet

Don't forget to enjoy the pancakes on our breakfast buffet!

Discover our themed cruises on the Travemünde–Malmö and Travemünde–Helsinki routes.

Many of our special departures are created for a German-speaking audience, but of course everyone is warmly welcome on board. Whether you feel like dancing to the biggest hits of past decades, getting creative on a brick-building cruise for the whole family, or enjoying a cosy knitting getaway at sea – there is something for every taste.
